

# Lumina

Brighten and  
revitalise

Lumina's sophisticated design is combined with simplicity and practicality. Its unique two-tone walls and exquisite interior design immerses you in a luxurious, yet cosy and harmonious atmosphere.

Lumina has all the necessary features to give you a full regenerating experience. All components harmonize with the smooth, unified lighting to create a sensation of tranquility within.

Lumina is created in cooperation with talented Italian architect, Luca Donazzolo.

## Key features and extras

### Two-tone walls

Lumina's wood panelling offers a choice of three two-tone combinations, with the main panels' color contrasting with the grooves between them to create a striking visual impact.

### Exterior lamp

These stylish optional exterior lamps are specially designed for Lumina. There are two sizes available, with lengths of 50 and 80 cm.

### Towel holder

Lumina's handy optional towel holders are designed and sized to match the exterior lamps.

### Movable bench

Lumina's movable benches come with three size options depending on your needs and wishes, with lengths of 57, 83 and 108 cm.

### Exterior panelling

Exterior panelling is available for the side and back walls of the sauna.

### Lighting effect

An additional optical fiber can be added between the frontboards of the upper bench.

### Stone heater guard

This luxurious optional dark grey stone panel extends from the heater up to the ceiling, giving the sauna a uniquely sleek and stylish character.

### Flooring

The solid, durable floor grids feature rubber strips that prevent the floor from becoming slippery and protect the wood from direct contact with moisture.

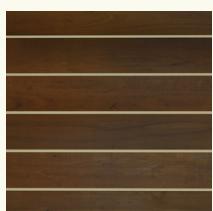

## Materials

Aspen panels with dark thermo-alder grooves
