Naturally  
reinvigorating

Natura softly embraces and cherishes its visitors. A perfect place to wholeheartedly enjoy the healing sauna, surrounded by a luxurious ambience.

The exquisite deep brown of the terrace charms with its refined elegance outside while the warm colour of the heat-treated aspen coddles you inside. The large front window opens to an enjoyable view of the outdoors. Moreover, on the terrace, you can experience the surrounding nature without a filter.

Natura is created in cooperation with the talented Italian architect Luca Donazzolo.

## Key features

### Exterior

The exterior cladding is designed to withstand severe climate conditions: the Nordic spruce wood is thermotreated, brushed and painted.

The walls, floor and roof are efficiently insulated, and the solid roof construction can bear heavy loads of snow.

### Interior

All interior details are made from high-quality thermo-aspen.

### Terrace and dressing room

These have spot LED lights. Inside we have warm white LED strips behind the backrests. Lights are dimmable using the remote control unit.

### Floor

The floor grids come with rubber strips, which prevent the floor from being slippery and the wood from being in direct contact with humidity.

### Suitable equipment

Electric heater Auroom Alta 12 kW with control panel; Auroom Impera Wood-burning heater; Auroom Fora Sound: speakers, Bluetooth player.
