- Final electrical connections to be done on site

# LIBERA EXTRAS

**OUTSIDE PANELING**  
Outside paneling is available for the side and back walls.

**BACKREST**  
The backrest comes with a built-in LED strip and adds light to the sauna-room.

**LAMP**  
Specially designed optional extra lamps can be added to the side walls.

**FLOOR**  
The floor grids are solid, durable and come with rubber strips, which prevent the floor from being slippery and the wood from being in direct contact with humidity.

**EXTENSION WALL**  
An external side wall module is 112 cm long and can be extended if a longer wall is desired.
