

Nora

Embrace the
Extraordinary

Elevate your outdoor living with Nora- a masterpiece that combines the traditional warmth of the sauna with modern luxury. Built from premium thermally modified spruce, Aura's robust structure defies the elements, ensuring durability and rot resistance.

Nora's standout feature is its welcoming porch area with built-in benches - perfect for relaxing before or after your sauna session. This additional space adds a functional touch of elegance, a lifestyle enhancement that makes Aura so much more than just a sauna.

Key features

Two sizes available

Nora outdoor sauna is available in two thoughtfully designed sizes; Nora 210 is perfect for compact spaces while Nora 250 offers additional depth, providing more comfort and freedom to move.

Stylish Design

Experience the elegance of Nora's square design with rounded edges, which blends seamlessly into the natural environment. This design doesn't just elevate your outdoor aesthetic – it's rounded corners also ensures uniform heat distribution for a superior sauna experience.

Customisable

With multiple customisation's available, from a panoramic window that offers expansive views to a selection of heating options, Nora can be tailored to satisfy your personal aesthetic and functional requirements.

Customisable

With multiple customisation's available, from a panoramic window that offers expansive views to a selection of heating options, Nora can be tailored to satisfy your personal aesthetic and functional requirements.

Durability and Longevity

Constructed from Thermory's finest thermo-spruce, each Nora sauna is built to last. The specialized thermal modification treatment enhances the wood's resistance to decay and weathering, ensuring your sauna remains an enduring part of your home.

Easy Installation

Nora is engineered for straightforward assembly. The intuitive design and clear instructions simplify the setup process, making it both easy and rewarding. Get ready to enjoy your sauna in no time at all, and with minimal hassle.

Two sizes
